Manchester Is a City of the Future

Manchester is a city for sport. Manchester has more than 12,000 sports clubs. Manchester United is one of the world's most famous football clubs.

Manchester is a city for the future. That's why we have built Europe's most modern on-street transport system, the Metrolink. It is clean, quick and quiet. That's why we built in 1993 a new international terminal at Manchester Airport. We are welcoming 24 million people a day. That's why we are building new hotels and new areas in which to work, live and play.

Manchester is a city for entertainment. We think Manchester is a centre for music, fashion and style. We have 3 symphony orchestras, 15 theatres and 23 art galleries and museums.

No wonder that Manchester is a city of education. There are 4 universities with 45,000 students from 120 countries. The city has taught the world for many years. 16 Nobel Prize winners came from Manchester.
